QUESTIONS

Why would you like to join the program:

Are you willing to attend extra rehearsals which may be before/after school?

Yes

No

Name:

Signature:

Performing Arts Academy

The Program is entry by audition and is made up of timetabled specialist classes in Performing Arts Academy Dance and Drama, for students in Year 7-10.

Students can audition to be a part of Unity Junior and Unity Elite Dance and Cheer Teams. This is an extension of the Performing Arts Academy, where students regularly compete in State and National Dance competitions, or in front of an audience at an event.

Data shows a progressive development in student results/grade as a result of studying in our school's Drama and Dance classes consecutively each year in lower school. A greater number of A and B grades are now being awarded in Year 9 and 10 when students consecutively study Drama or Dance, one year after the next.
